Pattern Notes

It is often easier to cast on using DPNs before changing to the short circular needle. If you want to use magic loop you will be able to cast on with the larger circular needle if you prefer to do so, but remember not to pull your cast on stitches too tight. If you use DPNs, you might find it easiest to cast on and work 2 rows before dividing the stitches across the needles.

When using self-striping yarn to achieve matching socks, start your cast on at the first colour change into the ball, making a note of the colour. Start your second sock at the same point. You will need to pull yarn until you get to the colour you started with.

When working from a chart you will read all rounds from right to left.

Finishing

Once your socks are complete it is essential to block your knitting. Pin your socks out to the size stated in the pattern, cover with a damp cloth and leave to dry.

West Yorkshire Spinners – Signature 4ply

A – Gingerbread (1109)
1 x 100g

Equipment

2.5mm needles – short circular needle, DPNs or 80cm circular for magic loop

One set of 3mm DPNs (optional for a looser cuff)

One set of 2.5mm DPNs (not required for magic loop)

Stitch holder (optional)

Stitch markers

Wool needle

Tension

30 sts to 10cm (4in) in stocking stitch (worked in the round) on 2.5mm needles.

Always use the size of needles to achieve the correct tension.

It is essential to work to the stated tension to ensure success.

Pattern Notes

These socks are knitted on 2.5mm needles, not 3.25mm as stated on the ball band. This will produce a different tension but will ensure a firmer, more hard-wearing fabric for your socks. The ideal tension for these socks is 30 sts to 10cm (4in) so use whatever size needles are required to reach that tension and do check that your knitted fabric is firm but not stiff.

Heel Flap

Left or Right Sock

All sizes

Change to 2.5mm DPNs if you are using a short circular needle. There is no need to use DPNs if you are using magic loop. You may prefer to place the spare stitches from the top of the foot onto a stitch holder if you are using a short circular or DPNs whilst you work the heel.

Row 1: K2, (sl1, K1) to end until there are 22 [24:26:28:30:32:34:36] sts on your needle, turn.

Row 2: Sl1, P to end, turn.

Row 3: (Sl1, K1) to end, turn.

Rep rows 2 and 3 until heel measures 5 [5:5:5:5:6½:7½]cm; 2 [2:2:2:2:2:2½:3]in or desired length, finishing on row 3.

Turn Heel

Row 1: Sl1, **P12** [13:14:15:16:17:18:19], P2tog, P1, turn.

Row 2: Sl1, **K5**, SSK, K1, turn.

Row 3: Sl1, **P6**, P2tog, P1, turn.

Row 4: Sl1, **K7**, SSK, K1, turn.

Cont in this way, adding one stitch between slip stitch and SSK or P2tog on each row (ie, **Row 5:** Sl1, **P8**, P2tog, P1, turn; **Row 6:** Sl1, **K9**, SSK, K1, turn; etc) until all of the heel sts are used. Depending on how many sts are in your heel flap, you may find that the K1 and P1 stitch is not required at the end of the last two rows.

Knit across heel sts if required to bring you to the left hand side of the heel flap (with the outside of the flap facing you), ready to pick up 1 stitch for every 2 rows of heel flap knitted. Remember that if you made the heel flap bigger, you will need to pick up more stitches. Once you have picked up the stitches, **place marker**.

Knit across the top of the foot sts in pattern from where you finished for the leg, **place marker**, then pick up 1 stitch for every 2 rows of heel flap knitted up the other side of the heel. Knit across the top of the heel and then shape gusset as below.

Note: If you are using DPNs and/or have placed your stitches on a stitch holder, you can arrange the needles as follows: Needle 1 for stitches across heel, Needle 2 for picked-up stitches down side of foot, Needle 3 for stitches across top of foot (knit stitches off stitch holder if required), Needle 4 for picked-up stitches on other side of foot. You may find that stitch markers are not required at first.

Shape Gusset

44 & 52 sts

Rnd 1: K to 3 sts before marker, K2tog, K1, **slip marker**, knit in pattern to next marker, **slip marker**, P1, K1, SSK, K to marker.

Rnd 2: **Slip marker**, knit in pattern to next marker, **slip marker**, P1, knit to 3 sts before marker.

Rnd 3: K2tog, K1, **slip marker**, knit in pattern to next marker, **slip marker**, P1, K1, SSK, K to marker.

48, 64 & 68 sts

Rnd 1: K to 3 sts before the marker, K2tog, K1, **slip marker**, knit in pattern to next marker, **slip marker**, K2, SSK, K to marker.

Rnd 2: **Slip marker**, K to patt to next marker, **slip marker**, K to 3 sts before marker.

Rnd 3: K2tog, K1, **slip marker**, K in patt to next marker, **slip marker**, K2, SSK, K to marker.

56, 60 & 72 sts

Rnd 1: K to 4 sts before the marker, K2tog, K1, P1, **slip marker**, K in patt to next marker, **slip marker**, K1, SSK, K to marker.

Rnd 2: **Slip marker**, K in patt to next marker, **slip marker**, K to 4 sts before marker.

Rnd 3: K2tog, K1, P1, **slip marker**, K in patt to next marker, **slip marker**, K1, SSK, K to marker.

All sizes

Rep rnds 2 and 3 for your size to shape the gusset. Cont in this way, decreasing by two stitches at the gusset on every other rnd until there are 44 [48:52:56:60:64:68:72] sts on the needle.

Once you have reached the required number of sts, continue to knit each rnd until you reach 4 [4:4:5:5:5:5:5]cm; 1½ [1½:1½:2:2:2:2:2]in before the desired length ready to start the toes. Don't be afraid to try your sock on before decreasing for the toes.

Toes

Note: Whilst decreasing for the toes, if you are using a short circular needle you may need to change back to DPNs or use the magic loop method as the number of stitches becomes too small for the circular. It's up to you when you choose to do that, and how you distribute the stitches across the needles; just keep following the pattern as set below.

Create the toes as follows:

Rnd 1: K1, SSK, K16 [18:20:22:24:26:28:30] sts, K2tog, K1, **place marker** (if required), K1, SSK, K16 [18:20:22:24:26:28:30] sts, K2tog, K1. 40 [44:48:52:56:60:64:68] sts.

Rnd 2: K to end, **slipping markers** as you come to them.

Rnd 3: K1, SSK, K to 3 sts before marker, K2tog, K1, **slip marker**, K1, SSK, K to 3 sts before marker, K2tog, K1. 36 [40:44:48:52:56:60:64] sts.

Rep rnds 2 and 3 until you have 20 [20:24:24:28:28:32:32] sts left and divide these between two needles so that front and back of socks match.

Graft toes using kitchener stitch, weave in all ends and sew up the small gap at the cuff where you cast on.
